

GE® Hybrid Stainless Steel Interior Dishwasher with Hidden Controls

Model# GDT550HSDSS

- Hybrid Stainless Steel Interior - Enjoy the combination of stainless steel on the inner door and a durable plastic tub
- GE's most advanced wash system - Consistently clean and dry dishes are ensured with GE's most advanced wash system, featuring 65% more wash power.* *Wash power delivered to each rack. Compared to previous GE models.
- Piranha™ Hard Food Disposer with Removable Filter - To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles and helps to prevent large particles from clogging the wash arms
- Wash Zones - Wash a true half-load in either the upper or lower rack without sacrificing options and cycles available on a full wash
- Easy Access Silverware Baskets - To help make loading silverware and small items easy, two baskets offer plenty of space, while Dedicated Silverware Jets ensure table-ready results
- 3-Digit Countdown Display with 1-12-hour Delay Start - Wash dishes at your convenience
- Adjustable Upper Rack - Fitting plates up to 10½" and other tall items in the upper rack is possible with an adjustment
- 48 dBA with status light on door - A dishwasher this quiet has a status light to let you know it is running
- Wash Your Way Customizable Rack - Easy loading and unloading is assured with the ability to configure the lower wash basket tines based on your kitchen layout

Rack Features	2 Utility Shelves with Stem Safe - Upper Ball-Tipped Tines Small Items Basket Upper and Lower Rack Easy Access Silverware Baskets

- Steam Prewash - Loosens tough soils before any cycle, virtually eliminating the need for soaking or pre-rinsing dishes
- Sanitize option (NSF Residential) - High-temperature rinse sanitizes and reduces 99.99% of bacteria found on dishes
- Cabinet Depth Installation - Achieving an attractive, flush appearance that complements and blends in with cabinetry is possible with a unique design that doesn't reduce rack capacity
- Clean Design Inner Door - The clean, attractive appearance features no visible hardware, so it's also easy to maintain
- Built-up Floor Capable - Installation over built-up floors is simple with the ability to adjust the dishwasher height
- AutoSense cycle - Automatically adjusts to soil level to maximize energy savings and ensure clean dishes
- 3 Pressurized, Full-Coverage Wash Arms - Expect exceptionally clean and table-ready dishes with powerful wash arms that deliver 65% more wash power to the top and bottom racks compared to previous GE models* (*Delivered separately to the upper and lower racks)
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations
- 4-Pass Wash and Dry Element - Items come out consistently clean and dry with the help of this element, which evenly heats water for washing and air for drying
- Pearlescent dark gray nylon racks with ball tip tines - Offer durability and secure dishes
- Quick Connect Power Cord Option - Completing an outlet installation is incredibly quick with an easy-to-connect cord (sold separately)
- Chrome accents on control panel - Enjoy a touch of modern style with this chrome accent on the control panel
- Top or Side Mount Installation Brackets - Enjoy flexible installation options with brackets that can be used to mount the dishwasher under the countertop or to the cabinets on the side
- Side Trim Installation Strips - Tub trim strips enhance the overall appearance
- Two-Pump System - One efficient pump for washing/rinsing and one powerful low-energy pump to remove soils provide excellent wash performance with reduced sound
- Audible end-of-cycle signal - The dishwasher makes a sound to tell you when the load is complete and dishes are ready to unload
- ENERGY STAR® qualified/CEE qualified - Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
