

GE® Hybrid Stainless Steel Interior Dishwasher with Hidden Controls

Model# GDT635HSJSS

- Hybrid stainless steel interior - Enjoy the combination of stainless steel on the inner door and a durable plastic tub
- Bottle Jets - Clean hard-to-reach areas inside tall items with two dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean
- Piranha™ hard food disposer with removable filter - To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles and helps to prevent large particles from clogging the wash arms
- Wash zones - Wash a true half-load in either the upper or lower rack without sacrificing cycles and options available on a full wash
- 3-digit countdown display with 1-12-hour Delay Start - Wash dishes at your convenience
- Adjustable upper rack - Fitting plates up to 10½" and other tall items in the upper rack is possible with an adjustment
- 48 dBA with status light on door - A dishwasher this quiet has a status light to let you know it is running
- Wash Your Way customizable rack - Easy loading and unloading is assured with the ability to configure the lower wash basket tines based on your kitchen layout
- Steam PreWash - Loosens tough soils before any cycle virtually eliminating the need for soaking or pre-rinsing dishes

- Sanitize option (NSF residential) - High-temperature rinse sanitizes and reduces 99.999% of bacteria found on dishes
- Cabinet depth installation - Achieving an attractive, flush appearance that complements and blends in with cabinetry is possible with a unique design that doesn't reduce rack capacity
- Clean design inner door - The clean, attractive appearance features no visible hardware, so it's also easy to maintain
- Built-up floor capable - Installation over built-up floors is simple with the ability to adjust the dishwasher height
- Auto sense cycle - Automatically adjusts to soil level to maximize energy savings and ensure clean dishes
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations
- 4-pass wash and dry element - Items come out consistently clean and dry with the help of this element, which evenly heats water for washing and air for drying
- Pearlescent dark gray racks with ball tip tines - Offer durability and secure dishes
- Top or side mount installation brackets - Enjoy flexible installation options with brackets that can be used to mount the dishwasher under the countertop or to the cabinets on the side
- Two-pump system - One efficient pump for washing/ rinsing and one powerful low-energy pump to remove soils provide excellent wash performance with reduced sound
- Audible end-of-cycle signal - The dishwasher makes a sound to tell you when the load is complete and dishes are ready to unload
- ENERGY STAR® qualified / CEE qualified - Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
