

GE® Dishwasher with Front Controls

Model# GDF520PGJWW

- GE's most advanced wash system - Consistently clean and dry dishes are ensured with GE's most advanced wash system, featuring 65% more wash power.* *Wash power delivered to each rack. Compared to previous GE models.
- Piranha™ hard food disposer with removable filter - To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles and helps to prevent large particles from clogging the wash arms
- Steam PreWash - Loosens tough soils before any cycle, virtually eliminating the need for soaking or pre-rinsing dishes
- Sanitize option (NSF residential) - High-temperature rinse sanitizes and reduces 99.999% of bacteria found on dishes
- SpaceMaker® silverware basket - Enjoy table-ready silverware and loading flexibility with this unique basket that can be placed on the rack or onto the door
- Pearlescent dark gray racks with ball tip tines - Offer durability and secure dishes
- 54 dBA with status light on door - A dishwasher this quiet has a multi-colored status light to let you know it is running
- 2/4/8-hour Delay Start - Wash dishes at your convenience
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations

- Cabinet depth installation - Achieving an attractive, flush appearance that complements and blends in with cabinetry is possible with a unique design that doesn't reduce rack capacity
- Clean design inner door - The clean, attractive appearance features no visible hardware, so it's also easy to maintain
- Built-up floor capable - Installation over built-up floors is simple with the ability to adjust the dishwasher height
- Auto sense cycle - Automatically adjusts to soil level to maximize energy savings and ensure clean dishes
- American gray plastic interior - Heavy-duty material is designed for years of dependability and has an attractive finish
- 4-pass wash and dry element - Items come out consistently clean and dry with the help of this element, which evenly heats water for washing and air for drying
- Chrome accents on control panel - Enjoy a touch of modern style with this chrome accent on the control panel
- Top or side mount installation brackets - Enjoy flexible installation options with brackets that can be used to mount the dishwasher under the countertop or to the cabinets on the side
- Two-pump system - One efficient pump for washing/rinsing and one powerful low-energy pump to remove soils provide excellent wash performance with reduced sound
- Audible end-of-cycle signal - The dishwasher makes a sound to tell you when the load is complete and dishes are ready to unload
- ENERGY STAR® qualified / CEE qualified - Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
