Overview

Specifications

Accessories

Warranty

Standard SABER® Features

- The SABER® patented cooking system for superior grilling with even heat and no flare-ups
- All commercial-grade stainless steel is non-magnetic
- Electronic ignition at every burner for reliable start
- Grate-level temperature gauges allow grilling with the lid up
- Front access grease tray for easy cleaning
- Heavy-duty nylon locking casters
- Uses 30% less gas every time
- Simple cleanup: just burn off and brush away food debris
- Safe, easy natural gas conversion with SABER's exclusive EZNG technology

Special Features

- Fully-enclosed 304 stainless steel cart with powder-coated bottom shelf
- 304 stainless steel shelf with die-cast tool holders and towel bar
- 18,000 BTU dual-control side burner for warming, boiling or wok cooking
- Two internal halogen lights under the lid
- Adjustable 304 stainless steel warming rack with storage and roasting positions
