

# Speed Queen Top Load Washer

LWN311SP111NW22 - LWN311SP101NW22

## Built better to last longer

Speed Queen® washers and dryers are designed, tested and built to deliver 25 years of commercial-grade performance in your home. Our mechanical timer models offer the perfect balance of simplicity and longevity by combining an easy-to-operate control with long-lasting commercial quality.

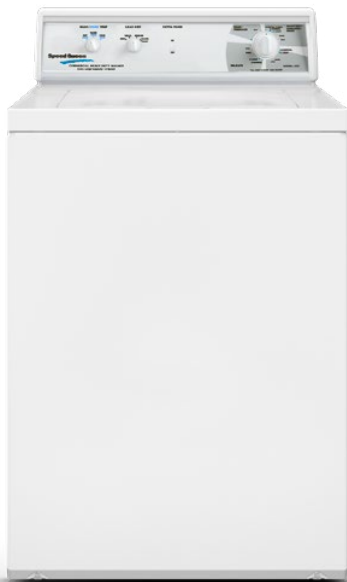

## Industry's best warranty

Industry-leading warranty covers all parts and in-home labor.\*

\* contact your local distributor for more detail warranty policy.

## A proven performer

- Perfected mechanical action moves more laundry through the water.
- A 210-degree agitator with 68 strokes per minute provides maximum water to-laundry contact.
- Tub spins during draining to prevent dirt from being left behind.
- Constructed with premium, metal components
- Tested to deliver 25 years of commercial grade performance.
- Three-coat, commercial-grade finish keeps machine's looking new for years to come.
- Galvanized steel cylinder won't corrode, chip or crack.
- 93.5 l. stainless steel tub won't corrode, chip, crack or pit with normal use.
