

## Manual Homestyle

## **Built for Reliable Performance**

Speed Queen's Manual control single load dryer combines heavy-duty construction with reliable operation proven to stand the test of time. They're designed with less moving parts for one reason: so you'll face fewer maintenance problems and less wear and tear down the road. Our cabinet design maintains the perfect balance of heat, airflow and tumble action for optimal performance and efficiency. The equipment provides an advantage on such issues as energy conservation, equipment breakdowns and vandalism. Customers have the flexibility to choose from four heat/cycle selections.

- Industry's largest door opening 2.06 sq. ft. (1914 cm<sup>2</sup>)
- Door is reversible for installation flexibility
- High efficiency exhaust blower with superior airflow 220 cfm (105 liters/sec)
- 100% serviceable from the front
- Space-saving narrow cabinet 26.875" (683 mm)
- Upfront lint filter easy to clean and secured
- Durable galvanized steel cylinder
- Efficient and fast dry cycle
- Extra-large capacity

## Manual Homestyle Control

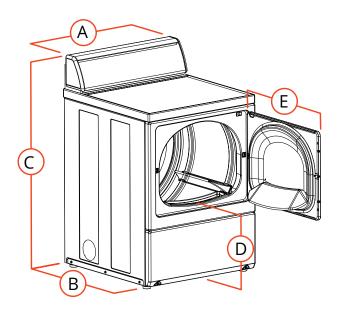

Manual Homestyle control offers a reliable heavy-duty multi-cycle timer knob.
