- Auto Dry - For clothes that come out feeling and looking great, this setting monitors air temperature to set the optimal drying time
- Up to 120 ft. venting capability - Provides flexible installation
- Aluminized alloy drum - Improves energy efficiency and resists corrosion
- 3 heat selections - Offer a choice of drying temperatures for personalized fabric care
- Delicate cycle - Helps protect delicate fabrics
- Rotary electromechanical controls - Make it simple to set cycles
- Upfront lint filter - Makes cleaning out lint easy
- End-of-cycle signal - Alerts you when the load is done, so clothes can be removed before wrinkles set in
- Reverse-a-door - Door opening can be reversed to meet laundry room needs
